## DESIRABLE DEPENDABLE TUBERS

PRICE LIST

SPRING 1949

In this year's issue we have tried to feature the varieties that are outstanding both as to color and keeping qualities from this country and several foreign countries. . . . Due to severe, unseasonal weather we will be completely out of some varieties and very short on a number of others.

## KEY TO CLASSIFICATIONS

FD—Formal Decorative    ID—Informal Decorative  
C—Cactus    SC—Semi-Cactus    IC—Incurved Cactus

A number of late varieties are listed as green plants or choice of root or plant. Plants are grown from cuttings and started in a propagating bed, then potted when rooted. Plants produce bushes and flowers equal to those grown from roots and will form clumps to carry over winter. Plants not mailed but delivered locally and in Salem.
